AAMCO Warranties*

AAMCO nationally offers a standard 12 month/12,000 mile limited warranty on our rebuilt transmissions, included automatically on your written estimate! There is no reason to settle for any less of a warranty if it's rebuilt correctly.

Over and above the national warranties, we include an additional 12 month/12,000 mile parts and labor warranty bringing your total warranty coverage to 24 months/24,000 miles.

AAMCO's World Famous Lifetime or 3-year/36,000 mile warranty is also available. If you prefer a remanufactured unit, we include a 36 month/36,000 mile warranty.
